

YOUR SIZE GUIDE

IMPORTANT

Print at "100% scale" or "Actual size".
If your print is correct, a credit card
or quarter should fit this box.

- Cut along the dotted line
- Place "heel" edge of chart against a wall
- Tape chart to hard floor for added stability
- Place heel as shown on the chart
- Measure to the longest toe
- Make sure you measured both feet

NOTE

If child's feet are two different sizes, choose
the large one.
All Vicco shoes have medium width.
